NOTE FOR: Mr. Hal Ford
NIO at Large

FROM:

AD/ICS/PPS

SUBJECT: DCI's Annual Report to the Congress

A draft of the Annual Report along with a request for comments is being sent to the NIC today. This is an advance copy to get it into your hands directly. We'd like to get reactions and comments by the middle of next week. As you'll see, the draft draws heavily on the NIC inputs, so we're especially interested in your views. (U) /
